sacred stories told through Jewish, Buddhist, and Christian perspectives before sharing the stories that have shaped you. Every human being is born into "nests" of stories, treasuries of wisdom passed down through family and culture. Supporting and Healing After Infant Loss Workshop. November 17, 2020

Learn ways to respond, comfort and support those in your congregation who have experienced stillbirth, miscarriage and infant loss. It is statistically likely that this has happened recently in your congregation, but the silence is often deafening as you and others struggle to know how to help. In this live online workshop, Kristen and Patrick Riecke, authors of No Matter How Small: Understanding Miscarriage and Stillbirth, will help you learn how to openly address this topic and support healing.

This is a two-part workshop. It is beneficial for you to attend both events, but it is not necessary to attend them both to benefit from the information.

Topics Covered

- ways to respond with compassion and resources when you congregants experience miscarriage or stillbirth.
- how to identify more completely with the feelings of bereaved parents.
- ways to articulate some of the specific experiences parents face immediately after a baby dies. [Register here.](#)

Masked Meditation Meet-up.

Tuesdays, 6:30pm. All Souls Lawn

Member Erik Mroz will lead a group in meditation. We will practice very simple forms of sitting meditation and walking meditation. Both practices are from the Zen tradition but do not require you to "believe" in anything. Beginners are welcome. To stay safe, the All Souls task force has asked that only 5 people be allowed on the grounds at once. If you are interested in attending, please [email Erik Mroz](#). We will meet in the grassy area in front of the church entrance. Please bring a chair, cushion, or yoga mat (also welcome to sit on the ground). Please wear masks.

Go on a Virtual Coffee Date with--CIC's Interfaith Digital Dialogue.

Meet someone from another faith. Experience a virtual conversation turning into a real learning experience. Let an initial meeting become a meaningful relationship and expand your spiritual horizons. [Sign up here.](#)

This program pairs interested participants with peers from another faith tradition in order to have one virtual "coffee date" and get to learn about one another's faith traditions. By signing up, you are indicating your interest in being paired with a peer for conversations about your religious traditions. Anyone is welcome to participate in this dialogue, but minors require parental permission. Once you sign up, you will be sent contact information for a dialogue partner from a different faith tradition. It will be up to you and your partner to set up a time to talk for 30-60 minutes. You can speak by Zoom, Google Meet, WhatsApp, phone, etc. [Click here for full description of the](#)
