PREFACE

In 2015, The All Souls' Board began working on updating and improving its governance by shifting to a policy governance structure utilizing Rev. Dan Hotchkiss' Governance and Ministry: Rethinking Board Leadership as its basis.

The initial draft of the Board of Trustees Policy Manual developed as a result of this work was approved by the board on January 12, 2021. This Manual is meant to be a living document which will evolve and be routinely updated over time.

ALL SOULS UNITARIAN CHURCH MISSION & VISION

MISSION:

To welcome all.
To lead with love.
To embrace hope.
To cultivate community.
To challenge assumptions.
To face our biases and prejudices with clear eyes.
To spark positive change within ourselves and in our communities.
To act in ways that help move the arc of the universe toward justice.

VISION:

We will leverage love as a force for positive action.

It will start in our congregation. Our members will challenge their own assumptions. Examine their biases. And endeavor to love not only themselves, but the world, fully and without condition. By engaging this work within our congregation, we gain insights and skills to take beyond our walls.

It will reverberate through the community. Our church will perform service and practice advocacy in our community. We will become the Indianapolis church most known for standing up for, and giving a voice to, anti-racist policies, LGBTQ rights, and climate justice.

It will find its way around the world. While All Souls members may leave our congregation as they move on to new cities, they will be prepared to put love into meaningful, positive action in their new communities, practicing love and advocating for justice wherever they go.

1 Board Governance

1.1 Role of the Board

The Board of Trustees (Board) will be accountable to the mission as fiduciaries of All Souls Unitarian Church. The Board will lead the church in discerning and fulfilling our mission through the following activities:

- Set strategic goals and direction in consultation with the members, staff and other key stakeholders
- Maintain the governing documents and policies of the church
- Provide clear and appropriate direction, authority and limitations to staff and volunteers
- Evaluate the performance of the Senior Minister, the Board and the programs of the church
- Ensure the appropriate and effective use of church resources, including funds, physical assets (including approval of any substantial changes to building or grounds), paid staff, and volunteer time
- Provide a safe and constructive atmosphere for church staff, members, and visitors
- Ensure the financial solvency and long-term health of the congregation
- Promote the development of strong congregational leadership
- Make legal, financial, and contractual decisions on behalf of the church, engaging outside assistance as needed

The Board of Trustees will provide visionary leadership for All Souls Unitarian Church that is focused on broad goals and strategies, while delegating the responsibilities and authority for ministry programs and daily church operations as appropriate.

Specific duties and limitations of the Board are identified in Article VI, Section 3 of the All Souls Bylaws.

1.2 Board Membership and Officer Responsibilities

The Board of Trustees is comprised of the four officers of the church—President, Vice President, Secretary, and Treasurer—and five to seven at-large trustees. All officers and trustees are voting members of the Board. The Senior Minister is a non-voting member of the Board. The Board of Trustees may decide whether to retain five, six or seven at-large trustees as needs and circumstances dictate.

Article V of the All Souls Bylaws identifies the terms and general duties of the officers. Article VI of the All Souls Bylaws identifies the terms and general duties of the trustees. In addition to what is stated in the bylaws, responsibilities of church officers include the following:

1.2.1 President

- Preside at Board and Congregational meetings
- Schedule meetings and set agendas; post board agendas in advance
- Assure that meeting materials are distributed in advance to allow sufficient preparation
- Counsel with Senior Minister
- Represent the church to outside entities
- Sign grants or contracts or authorize other church officers to sign
- Ideally, will serve on Leadership & Nominations Committee at conclusion of term

1.2.2 Vice President

- Assume the duties of the President if the President is absent or unable to fulfil those duties
- Assist in planning and running meetings
- Advise the President
- Other special assignments, depending on needs and abilities
- Ideally, will serve on Personnel and/or Governance Committee

1.2.3 Secretary

- Prepare minutes of Board and Congregational meetings
- Post meeting minutes for review by all members
- Codify adopted Board policies into the Board Policy Manual
- Ensure that church documents are appropriately archived

1.2.4 Treasurer

- Ensure that monthly and annual reports of income and expenses are prepared for Board meetings in addition to quarterly endowment reports
- Monitor the balances of church financial accounts
- Work with church staff to make certain that receipts, deposits, and payments are made in a timely fashion
- Work with church staff to make certain that insurance policies are adequate and current
- Advise the Board of changes to the budget made by the Senior Minister in accordance with Board policies.
- Ensure that legal and financial documents are properly filed and recorded. A list of these documents is provided in **Appendix A**.
- Advise the Board of issues with church finances

1.3 Expectations of Board Members

1.3.1 Board Covenant

Each year the members of the Board of Trustees will establish a Board Covenant that identifies expectations for the conduct of individual Board members, how the Board will conduct its work together and make decisions, and how the Board will provide leadership to the congregation.

1.3.2 Conflicts of Interest

Board members will carry out their duties with undivided loyalty to the congregation and its mission. A conflict of interest exists whenever a Board member has interests or duties that interfere with the Board member's duty of loyalty to the congregation and its mission.

Conflicts of interest arise when a Board member:

- Stands to gain or lose financially because of a proposed action of the Board.

- Has a close personal, business or political relationship with any person or legal entity that stands to gain or lose financially because of a proposed action of the Board.
- Cannot set aside his or her personal preferences as an individual consumer of the congregation's services to vote on behalf of the whole Congregation and its mission.
- Faces any situation that impairs or reasonably appears to impair their independence of judgment.

If an item of business arises that presents a potential conflict of interest for a Board member, it is the responsibility of that Board member to identify the potential conflict of interest to the Board when it is first recognized. The Board member will either withdraw from the meeting during discussion and voting on the subject business or ask the remainder of the Board to determine the proper resolution and withdraw from the meeting while that resolution is determined.

Anyone who exercises authority delegated by the board will be subject to the same conflict of interest policies that apply to Board members.

The minutes of any Board meeting where a potential conflict of interest is raised will identify that potential conflict of interest and how it was resolved.

1.3.3 Discipline and Removal of Board Members

Article VI, Section 4 of the Bylaws identifies causes and procedures for removal of Board members. The Board may adopt additional causes and procedures that do not conflict with the Bylaws. Possible reasons for removal include, but are not limited to, absence from three or more consecutive Board meetings, repeated serious violations of the Board covenant, or a violation of the conflict-of-interest policy.

Before exercising its power under the bylaws to recommend removal of a Board member, the Board may suspend a Board member's voting privileges without notice if necessary to protect individuals or the congregation from harm.

If the majority of the Board votes to recommend removal, this recommendation will be provided to the Leadership and Nominations Committee along with a request that it vote on the removal.

1.3.4 Board Meetings

1.3.4.1 Meeting Times and Notice

Article VI, Section 5 of the Bylaws identifies requirements for scheduling and notice of Board meetings.

1.3.4.2 Attendance

All Officers, Trustees, and the Senior Minister are expected to attend each Board meeting unless arranged in advance with the President.

1.3.4.3 Open Meetings and Executive Sessions

All meetings of the Board of Trustees will be open to any church member who wishes to observe, except that discussions of the following issues will take place at closed executive session meetings:

- Personnel matters
- Any matter concerning specific individuals in the congregation
- Negotiations

- Litigation, potential litigation, or claims.

Closed Executive Sessions will be open only to voting Board members, the Senior Minister (if the meeting is requested by the Senior Minister), and others determined by the Board to be necessary to conduct the meeting. Executive Sessions are considered special meetings and are subject to the notice requirements for special meetings in Article VI, Section 5 of the bylaws. The Senior Minister must be provided notice of Board Executive Sessions but may be excluded from attendance at the discretion of the Board if the meeting was not called by the Senior Minister.

1.3.4.4 Agenda and Records

The President is responsible for setting the agenda for each Board meeting and Congregational meeting.

A record will be kept of all the matters to come before the Board and of the votes taken. The record will be made available to the congregation for review, except that a record of those matters taken up in closed executive session meetings will be approved by the Board separately and maintained in a confidential file accessible only by current voting Board members and others authorized by the Board. Records of closed meetings will not be discussed by the Board in open meetings.

1.3.4.5 Quorum and Voting

Article VI, Section 6 of the Bylaws identifies quorum and voting requirement for Board meetings.

1.3.4.6 Emergency Action outside of Board Meetings

Article VI, Section 7 of the Bylaws identifies requirements for the Board to address issues outside of regular or special meetings. The Board will avoid such emergency action if practical.

1.4 Board Committees

The Board may establish committees to help it perform its duties. Committees may include permanent standing committees, temporary committees, or other task groups. Committees will not interfere with delegation of authority to the staff.

Each committee or group that reports to the Board will maintain a charter approved by the Board that identifies its objectives and significant activities. The current charters of Board committees and task groups are provided in **Appendix B**. Charters should be created using the template provided in Appendix B.

The Board will annually review the need, scope of responsibility and policies of Board committees.

A Member of the Board will be designated as the Board liaison for each Board committee or group. The Board liaison is encouraged to attend meetings of the committee or group. The Board will annually review committee liaison assignments.

1.5 Autonomous Groups

Article XII of the Bylaws identifies the requirements for Autonomous Groups that may be recognized by the Board of Trustees. At the discretion of the Board, these groups may be given special consideration and support by the Church.

The policies and procedures of existing Autonomous Groups are provided in **Appendix C**.

The Board will periodically review the objectives, statement of policies and procedures, and activities of Autonomous Groups to assure they remain consistent with those of the church.

2 Delegation of Authority

2.1 Global Delegation to the Senior Minister

The board hereby delegates to the Senior Minister the authority to manage the work and resources of All Souls Unitarian Church to pursue the mission of the church. Within the limits established by church bylaws and board policies, the Senior Minister has the authority to:

3 Guidance and Limitations

3.1 Care for Paid Staff

3.1.1 Creating and Eliminating Staff Positions

The Senior Minister, working with the Personnel Committee, is responsible for the development of new staff positions and for changes in, or elimination of, existing positions. New staff positions and elimination of staff positions are subject to approval by the Board of Trustees, as identified in Section 2.3.2. The Senior Minister is authorized to determine which paid staff positions may be filled by church members.

3.1.2 Hiring Staff

The Senior Minister is authorized by the Board of Trustees to lead the hiring process for any vacant staff position that has budget approval, with the exception of called ministers. New positions or positions that cannot be filled under the current budget require Board approval. All staff employment contracts must be approved by the Board. The President may act on behalf of the Board to approve employment contracts.

The Senior Minister, working with the Personnel Committee, will create and publish practices for hiring that:

- Establish fairness in the hiring process.

- Strive to develop a reasonable pool of candidates for each open staff position.
- Inform and engage stakeholders who will interact with the position.

- Define when and how hiring committees will be used in the hiring process.
- Notify the Board when a new employee is hired.

3.1.3 Compensation and Benefits

The Board of Trustees will make fair compensation of church staff a budget priority. Compensation will take into consideration UUA Fair Compensation Guidelines and recommendations of the Senior Minister and the Personnel Committee.

3.1.4 Supervision and Evaluation

All staff members are accountable to the Senior Minister, who is accountable to the Board for their performance.

The Senior Minister will assure that each employee is assigned an immediate supervisor, who will provide an up-to-date job description and complete an annual process of goal-setting and performance review. Individual staff goals and performance reviews are confidential.

3.1.5 Termination of Staff

Termination of any paid staff member designated to work more than 10 hours per week must be approved by the Board. The Senior Minister must ensure that the proposed termination complies with applicable laws, Board policies, contracts, and the personnel manual. The Senior Minister may place an employee on unpaid administrative leave pending Board approval of termination or reinstatement.

All paid staff are employees at will, unless the Board approves the terms of a contract that states otherwise.

3.1.6 Personnel Manual

The Senior Minister, working together with the Personnel Committee, will develop and maintain an up-to-date personnel manual that complies with all legal requirements. The policies and procedures must support the mission of the church and be consistent with Board policy. All required licenses and inspections will be kept current and problems will be corrected promptly. The Senior Minister shall advise the Board when resources are inadequate to properly address a problem.

3.2.1.1 Healthy Conduct Policies

In consultation with the Senior Minister, the Board will develop and maintain policies for safe and healthy conduct within All Souls church facilities and at All Souls events. These policies should address issues including:

- Alcohol use
- Drug use
- Smoking

3.2.1.2 Safety Plan

The Senior Minister will develop and maintain a church safety plan that addresses such issues as:

- Building Security to ensure that church access is restricted to only those with legitimate business there.

- Incident reporting procedures
- Maintenance of safety equipment
- Hazard analysis procedures

3.2.2 Nondiscrimination

3.2.3 Universal Access

The Church intends to make its premises and activities reasonably accessible to persons with disabilities. To this end our goal is to meet or exceed all legal requirements, and to engage in continual examination of our properties, practices, and attitudes.

The Senior Minister will establish clear, written procedures for the selection, training, and supervision of all ministry team members who work with persons age eighteen and younger.

3.2.5 Complaints

The Board will publish and maintain a process for addressing member and guest complaints.

3.3 Care for Financial and Material Resources

3.3.1 Budget and Financial Expenditures

The Treasurer and the Finance Committee, working with senior staff, are responsible for preparation of the budget which will balance total anticipated expenditures with total anticipated income. The budget will be submitted to the Board of Trustees for approval. The Board may amend or ask for changes to the budget.

The budget for the ensuing fiscal year, and plans for meeting the budget, will be approved by the Board of Trustees and presented to the congregation for approval at the Spring Congregational meeting. (see Bylaws Art. III, Sec. 2)

If a deficit is projected at any point in the year, the Treasurer and the Finance Committee may present a revised budget with recommendations for balancing the budget. The Board of Trustees may amend the budget at any time, subject to the rules of the bylaws.

The Senior Minister is authorized to transfer funds among budgeted expenses if needed to meet changing program requirements. Budget for staff salaries and benefits, for dues, and for facilities operations or improvements may not be reduced without Board approval. All transfers of funds must be reported to the Treasurer on a monthly basis.

No expenditure of money, outside of the budget, exceeding three percent (3%) of the budgeted expenditure for the current year shall be made without a vote of the membership. [Bylaws Art. VI, Sec. 3]

3.3.2 Financial Controls and Debt

The Board of Trustees shall not execute or authorize the execution of any deed, contract or mortgage or any other instrument affecting title to the real property of the church without first being authorized to do so by a vote of the membership. [Bylaws Art. VI, Sec. 3]

3.3.3 Insurance

The Board of Trustees is responsible for ensuring that the congregation carries adequate property, general liability, officers' and trustees' liability, staff, and ministerial liability insurance and any other insurance or bonding necessary to protect the congregation. The Treasurer will work with church staff to make sure that insurance policies are adequate and current.

3.3.4 Capital Reserves and Endowments

The Board of Trustees shall authorize the investment and reinvestment of general and special funds of the church in reasonable and prudent investments and the sale of securities from time to time, as it shall deem advisable [Bylaws Art. VI, Sec. 3] per the guidelines established in the Endowment Policy (see Appendix D).

The Board of Trustees may establish, as it sees fit, special fund accounts that are separate from the general fund accounts of the church.

Custodial accounts connected with the funds of various church committees and organizations may be maintained within the church's general accounts. The Board of Trustees will establish the rules and conditions under which custodial accounts are operated and maintained.

In the absence of designation by either the family or the donor, memorial contributions will go to the Endowment Fund. If a family designates that memorials go to a specific fund, all gifts identified as being given in honor of that person will go to the specified fund unless the donor states otherwise, in which case the donor's designation will determine the fund to which the gift goes.

Any unspecified donations under \$40,000 will automatically go to the Endowment. Unspecified donations of \$40,000 or more go before the Board wherein a two thirds majority vote can shift the donation from the Endowment to other purposes. (Adopted 9/12/18).

Investments within the Endowment fund will be managed by the Endowment Committee. Any transactions involving more than ten percent (10%) of all assets within the Endowment fund must be reported to the Board and the Finance Committee within 45 days.

3.3.5 Document Retention and Accounting Processes

The Treasurer will keep accurate records of income, receipts, and expenditures of the church. (see Bylaws Art. V, Sec. 4). This work will be accomplished through cooperation with church staff.

The staff must maintain written procedures to govern the backup, retention, and destruction of the church's documents. The procedures must define retention periods for financial, business, pastoral, personnel, and corporate records in both paper and electronic formats.

The Board of Trustees is responsible for ensuring that the congregation's management of financial accounts follows appropriate accounting practices and processes.

The Board of Trustees will direct the Audit Committee to conduct an annual review of the financial records and practices of the congregation. The Audit Committee will report their findings at the Fall Congregational Meeting. Every five (5) years the Board will consider a more formal review or "audit" conducted by financial experts from outside the congregation.

3.3.6 Asset Protection

The Senior Minister must take all reasonable care to ensure that church assets are protected from loss or theft, including by:

- Maintaining church property and equipment to keep it in working order, subject to reasonable wear and tear.
- Taking reasonable steps to protect the church's intangible property, including intellectual property, electronic data, and paper files from significant damage or loss.

The Senior Minister will provide regular written reports from the staff to the Board. The Minister's reports should focus on progress toward the All Souls mission and the priority goals set by the Board and the Senior Minister. The reports should identify issues that require Board consideration and potentially the implementation or modification of Board policies. The Minister's reports must be provided to Board members in advance of each monthly meeting but will not normally be a subject of Board discussion except when they require Board action or raise issues of compliance with Board policy. Regular reports to the Board will address the following:

4.3.1.1 Staff

The Senior Minister's report will include information on staff activities and issues. If there is an exceptional or confidential staff matter that is presented to the Board, it will be addressed in an Executive Session.

4.3.1.2 Programs

The Senior Minister's report will include information on church programs and activities. Information on how these activities support the church mission on goals should be included if appropriate.

4.3.1.3 Other Issues

The Board may occasionally request the Senior Minister to report more fully on the church's work in a given area, or to contribute expertise, information and leadership. The purpose of these reports is to support the Board's learning and reflection on major areas of the church's mission, such as worship, faith formation, social justice, membership development and stewardship.

4.3.2 Financial Monitoring

The Treasurer will provide the board with monthly and annual financial reports covering the overall financial performance compared to the budget and point out significant issues and challenges. These reports will be filed and included with Board meeting minutes.

The Treasurer will report to the Board at least every six months on the status and performance of all endowments and financial accounts held by the church.

Any audit of church finances presented for Congregational approval will first be presented for consideration by the Board.

4.4.2 Senior Minister Evaluation

The Board will annually evaluate the performance of the Senior Minister.

4.4.3 Staff Evaluations

Evaluation of paid and volunteer staff is the responsibility of the Senior Minister. The Board may request verification that the Senior Minister follows appropriate evaluation procedures and requirements for staff evaluations.

DISRUPTIVE BEHAVIOR POLICY

Source: Modeled after UUA policy examples from First Unitarian Universalist Church, Columbus, Ohio

Date of passage of policy by Board of Trustees: April 17, 2019

Effective Date: April 18, 2019

Date of Last Review: March 13, 2019

A. Policy:

While the creation of a beloved community open to a wide variety of individuals is one of the prime values held by our congregation, we affirm the belief that our congregation must maintain a secure atmosphere where such openness can exist. When any person's physical and/or emotional well-being, or freedom to safely express his/her/their beliefs or opinions is threatened, the source of this threat must be addressed firmly and promptly, even if this ultimately requires the expulsion of the offending person or persons. Actions to address disruptive behavior are undertaken with compassion and the hope of reconciliation.

Examples of disruptive behavior could include the following:

1. Perceived threats to the safety of any adult or child;
2. The disruption of church activities;

B. Procedure:

The following shall be the process of All Souls Unitarian Church in dealing with these issues:

1. If an immediate response is required, this will be undertaken by a Minister, if available, otherwise by the leader of the meeting or activity involved, church staff, or a member of the Board of Trustees. This may include asking the offending person or persons to leave, or suspending the meeting or activity until it can safely be resumed. If further assistance is required, the Police Department may be called. Any time any of these actions are undertaken without the Senior Minister being present, the Senior Minister must be notified. A follow-up letter detailing what steps must be taken before returning to the activities involved will be sent by the Senior Minister to the offending party or parties.
2. Situations not requiring immediate response will be referred to an ad hoc committee appointed by the Board of Trustees. This ad hoc committee will include a Minister or

professional church employee, a member of the Board of Trustees and such others as the Board deems appropriate. The ad hoc committee will respond in terms of their own judgment observing the following:

- a. The ad hoc committee will respond to problems as they arise. There will be no attempt to define "acceptable" behavior in advance.
- b. Persons identified as disruptive will be dealt with as individuals; stereotypes will be avoided.
- c. The ad hoc committee will collect all necessary information.
- d. To aid in evaluating the problem, the following points will be considered:
 - DANGEROUSNESS** - Is the individual the source of a threat or perceived threat to persons or property?
 - DISRUPTIVENESS** - How much interference with church functions is going on?
 - OFFENSIVENESS** - How likely is it that prospective or existing members will be driven away?
- e. To determine the necessary response, the following points will be considered:
 - CAUSES** - Why is the disruption occurring? Is it a conflict between the individual and others in the church? Is it due to a professionally diagnosed condition of mental illness?
 - HISTORY** - What is the frequency and degree of disruption caused in the past?
 - PROBABILITY OF CHANGE** - How likely is it that the problem behavior will diminish in the future?
- f. The ad hoc committee will decide on the necessary response on a case-by-case basis. However, the following three levels of response are recommended:
 - LEVEL ONE** - The ad hoc committee shall inform the Minister(s) of the problem and either the Minister(s) and/or a member of the ad hoc committee shall meet with the offending individual to communicate the concern, including a description of the disruptive behavior and the changes desired.
 - LEVEL TWO** -The offending individual is excluded from the church and/or specific church activities for a limited period of time, with reasons and the conditions of return made clear.
 - LEVEL THREE** - The offending individual is permanently excluded from the church premises and all church activities. Before this is carried out, the ad hoc committee will consult with the Board of Trustees and the Minister(s). If the Board votes that expulsion will take place, in consideration of information from

- the Membership Committee, a letter will be sent by the Senior Minister and the President of the Board of Trustees explaining the expulsion and the individual's rights and possible recourse.
- g. Any action taken under item f., Level One and Two, may be appealed to the officers serving on the Board of Trustees, which shall consult with the Minister(s), and make a final decision.
 - h. Confidentiality can encourage reconciliation and protect other parties involved from unnecessary exposure. Conversely, the injury caused by the offending person may be widespread or significant enough to require some portion or the whole of the congregation be informed or included in the reconciliation process. In consultation with the Board of Trustees, the ad hoc committee will determine the degree of confidentiality to be used during the process.
 - i. To preserve institutional memory and consistent application of this policy over time, a record of each invoking of this Policy will be maintained in a registry secured in the Church office in a secure electronic file. Access to this registry is restricted to the Ministers and the President of the Board of Trustees who may share this information on a “need to know” basis.
 - j. A registry record includes the identity of the offending individual, all communications between the individual and the church relating to the invoking of the policy and supporting documentation. The record will also include, for the benefit of future ministers and Boards, a statement written by the ad hoc committee, on the recommended course of action should offenses by the individual continue or recur.
